- * The child must have taken all photos.
- ** Decorated baked items need not be baked by the children but must be decorated by them.
- *** All drawings and paintings must be done free hand by the artist.

Build a Birdhouse - Give a bird a home

We have added a new category - BIRDHOUSES. Use your imagination. Build and paint any type birdhouse you want. You can also build them from kits. At the end of the fair you can donate your birdhouse to Wolcott Park & Recreation Commission. They will hang the birdhouses at either Peterson Park or Sunrise Park or you can hang them in your own yard.
